HELP WANTED – TROOP 23 NEEDS YOU!

As you know the success of Troop 23 relies on support from Parents and Adult Leaders-if you are thinking about ways you can support your Scout's success or are interested in becoming more involved in this very active Troop, there are two volunteer positions that are opening:

Membership Coordinator – the Troop's Membership Coordinator is involved in developing membership, helping with scouts who transition from Cub Scouts or from neighboring Troops, and encouraging membership growth.

Equipment Coordinator – this position involves the oversight of the Troop's camping equipment by tracking the inventory, adding items as needed, ensuring equipment is safely stored and maintained, and fostering in Scouts their responsibly to use and care for the Troop's equipment. Doug Kurtz will be stepping down from this position at the end of the summer - Thank you for all your help, Doug!

If you would like more information about these two positions, or want to hear about other ways you can help the Troop, please contact Steve Yates, Scoutmaster, at steve@srtware.com
