

The Patrol Leader's Pledge

The Scouts of my Patrol have shown their confidence in me by electing me as their Patrol Leader. I understand this is more than an honor because it comes with great responsibility. I will live up to this responsibility by enthusiastically being the best Patrol Leader I can be. I pledge to lead my Patrol by my initiative and personal example and do each of the following to the best of my ability:

- Regularly and enthusiastically attend and participate in all Patrol and Troop Meetings and activities.
- Make a special effort to be a good friend to each Scout in my Patrol and make each member of my Patrol know that I am personally interested in his rank advancement, his skill development and his training as a Scout.
- Plan and carry out Patrol Activities with my Scouts such as Patrol meetings, Patrol hikes, Patrol projects, Patrol Good Turns and other Patrol activities.
- Keep well ahead of my Patrol in advancement and help my Scouts advance in rank by training and examining them in Tenderfoot, Second Class and First Class requirements and working with them through their Troop Guide.
- Promote strong Patrol pride and identity by consistently using a Patrol name, a Patrol emblem and a Patrol cheer.
- Train my Assistant Patrol Leader and give each Scout in my Patrol a chance to do some leading in the Patrol.
- Faithfully attend all PLC meetings where I will represent my Patrol, do my part in helping to plan Troop events, bring before the Council the wishes of my Patrol, and take back to my Patrol the decisions of the Council.
- Proudly wear my Scout uniform to all Troop meetings and encourage my Scouts to do the same.
- Live by the Scout Oath and Law and demonstrate Scout Spirit in everything I do.
- Fairly delegate assignments to the members of my Patrol.

“On my Honor, I will do my best.”
